

EENCE NETWORK

EASTERN EUROPEAN NETWORK FOR CITIZENSHIP EDUCATION

ABOUT THE EENCE

EENCE is a network of institutions and experts for fostering exchange and development of knowledge, skills and values on citizenship education in the region of Eastern Partnership countries and Russia. The network was established in 2015 in the frames of the NECE Network, (www.bpb.de/nece) which aims to provide transparency about stakeholders and approaches in citizenship education, and to inspire transnational discussions on the topics and challenges facing the field.

Network member civic education providers are successfully implementing joint projects, programs, research, etc., that develop civic education in the Eastern Partnership region and Russia and selected countries of the region. Network member organizations have a voice in national and international institutions engaged in promoting democracy and civic education in the region.

Consortium of Network member institutions are organizing EENCE Summit – on October 4-6, 2019, Batumi, Georgia.

Network is financially and content-related supported by the Federal Foreign Office of Germany.
